

Shellharbour SLSC

Board Hire Agreement

I of, hereby agree to hire board number from the Shellharbour SLSC for the period/...../..... to...../...../..... being one season, in exchange for exclusive use of the above board for the said period.

In entering into this agreement, I agree to abide by the following conditions:

1. The hire fee for the season is \$100. A deposit of \$200 is payable prior to the hire period commencing. This amount will be held by the club pending return of the craft in "good order" or termination of the hire.
2. A digital image and description of the craft is attached, including notes as to the existing condition of the craft. By signing this agreement I accept the condition description and its use in determining "good order" on return of the craft to the club. On return of the craft, any damage found to be in addition to the original condition description will result in a reduction of the deposit refund and further charge to the hirer if required.
3. The craft remains the property of the club at all times, unless specifically stated.
4. I remain responsible for the repair of any damage to the board during the period of the agreement.
5. All repairs to boards under the Board Hire Agreement are to be completed by a qualified repairer agreed to by the club.
6. No modifications are to be made to the craft.
7. If membership of the club lapses for any reason, the craft must be returned immediately and the agreement is considered terminated.
8. The craft may not be loaned or hired to any other person at any time without the club's written consent.
9. The club Board Hire Agreement will be administered by the Junior Gear Steward and all enquires and requests should be in writing to their attention. Disputes will be resolved by the club's Junior Activities Committee
10. The agreed hire fee and deposit are to be paid and the Board Hire Agreement signed prior to any agreement being deemed active and any board being used.
11. All boards that are hired from the club should be kept in the board bag provided when being transported and stored at home.
12. The craft is not to be transported out of the state without the club's written consent. If transport is agreed to, the craft is to be suitably wrapped for protection and insured by the hirer, prior to transport.
13. If the board is damaged beyond repair, stolen or lost then full replacement cost of the craft must be paid
