

All club members,

This year SLSA has introduced an **online registration system** in which our club has decided to use.

We would like to encourage all members to use this system as it reduces the need for paperwork for you and us committee members.

The link is www.lifesavingonline.com.au – follow this process for each child/member. Remember your username and password for future in case you change any of your personal details so the club can communicate with you if you wish.

If you have difficulties in this registration process a simple step by step process can be found on our club website, on the home page at www.shellharboursurfclub.com

On our registration days, you will just need to turn up with your money, pay and fill out child protection form.

Registration days have been set as Sunday 12th September and Sunday 26th September 2010 at Leonie's Swim for life, Warilla. **Please put these dates in your diary.**

This Venue has been chosen so all junior members in **under 8's age group and above** can complete their **mandatory** Preliminary Evaluation.

All under **9's age group and above** need to **complete a proficiency pool swim** to enable them to compete in the water at any carnival or club point score. **No completed pool swim, means no water activities.**

If you cannot make these registration dates at this facility, you can obtain a statement of proficiency (written) from a swimming Instructor or Swimming Coach verifying ability to complete the minimum requirements.

Further details of these requirements are also found on our club website, by following this link <http://www.shellharboursurfclub.com/PDFs/Surf%20Club%20Handbook.pdf>

Our Patrolling season will commence on the 25th September, **all patrolling members must be financial and have completed registration process and child protection forms prior to taking the beach.**

Our season for our junior's members will be kicking off with our first training day on Sunday 10th October. **All junior members must be financial and have a parent/guardian complete registration process for each child prior to taking the beach.**

We look forward to another great season!!

Dana Richards
Club Secretary
