## **To all members of the Illawarra and South Coast Surf Clubs**

As an active volunteer member of the Illawarra Cancer Council's Relay for Life Committee, I would like to put forward the idea of your Surf Club members establishing a team to register for this years Relay for Life. The Cancer Council celebrates 10 years of Relay for Life in the Illawarra this year. In that 10 year's Cancer Council has been supported by various sporting teams and organisations throughout our community. Cancer Council is a non government organisation that provides vital services to cancer patients and their carers in our local region. Thirroul has had a team in Relay almost every year since it began in the Illawarra. I would love to see all other Surf Clubs in the Illawarra and South Coast field a team and in turn, promote their Club and their support of Cancer Council. Sadly, almost every family in your organisation will have a friend or family member who has been touched by cancer in some way.
