1. Note that this is the first round of courses. Low number of candidate courses will be offered later this season and separately advertised. Prospective candidates need to let me know their name, club and contact details so that these courses can be organised.
2. The Defibrillation course is now part of the ARTC. It is now longer a separate course.
3. Certificate IV is a SLSNSW course. Prospective candidates need to let me know their name, club and contact details to be passed onto Pamela Simon Manager, Education at SLSNSW for them to organise.
4. Prospective Trainers and Assessors need to give me their names, club and contact details to discuss their accreditation.
